

In **FLAT** Keys, the LAST ^b in the Key Signature is “Fa”, or the 4th note of the scale.
Count down “4-3-2-1” or “Fa-Mi-Re-Do” to find DO, which is the name of the Major Key

In **SHARP** Keys, the LAST # in the Key Signature is “Ti”, or the next-to-last note of the scale.
Go upward to the very next line or space, and that is the name of the Major Key

Examples:

♪ There are 4 Flats ~ The LAST flat is “G-flat”. This is D FLAT Major

♪ There are 5 Sharps ~ The LAST sharp is “A-sharp”. This is B Major. (Not B-flat!)
